The trial is set for 11/9/09. I'll look to see if I have DEA predicate questions; I don't do drug cases very often, so I may not.

Thank you!

Hi Rob,

I am mailing the discovery packet for the above case today. I have a couple of questions.

Do you know when this case is scheduled for trial? (hopefully, he will stipulate)

Also can you email or fax me a copy of the predicate questions from the DEA that you have? I am trying to establish predicate questions for the new chemists and for ADAs in all the counties.

Let me know if you need anything else. Thanks for your assistance and patience.

Thanks,  
Annie
